*An ACT to restrain the sending of Provisions
to Cape-Breton, or any other French Port or Settle-
ment, on the Continent of North-America,
and Islands nigh or adjacent thereto.*

WHEREAS the General Assembly have been well informed,
there is, and for some Time past has been, a very pernicious
Trade carried on from hence, and some other of the Northern
Colonies, to *Louisbourg*, on the Island of *Cape-Breton*, and other French
Ports and Settlements on the Continent of *North-America*, and Islands
adjacent thereto. By Means whereof the *French* there have been supplied
with great Quantities of Flour, and other Provisions, and thereby enabled
to furnish and provide *Canada*, and their Forces at *Crown-Point*, and on
the *Ohio*, with the same; which greatly assists and puts them in a better
condition to pursue, carry on, and support themselves in their Encroach-
ments on his Majesty's Territories: Which, unless timely prevented,
will prove to be of very fatal and dangerous Consequence to this and all of
his Majesty's Northern Colonies in *America*, and at this Time loudly
call for Redress. Wherefore
